We Dedicate . . .

We, the Senior Class of Highland High School, wish to dedicate the 1971 Highlander to our friend, and former classmate, Gary Billingsley. Although Gary hasn't been with our class for several years, he has continued his education at his home, and has remained with all of us in spirit.

So to you, Gary, our beloved friend, we dedicate our yearbook.

Senior Year

Somehow we've got to make some money!

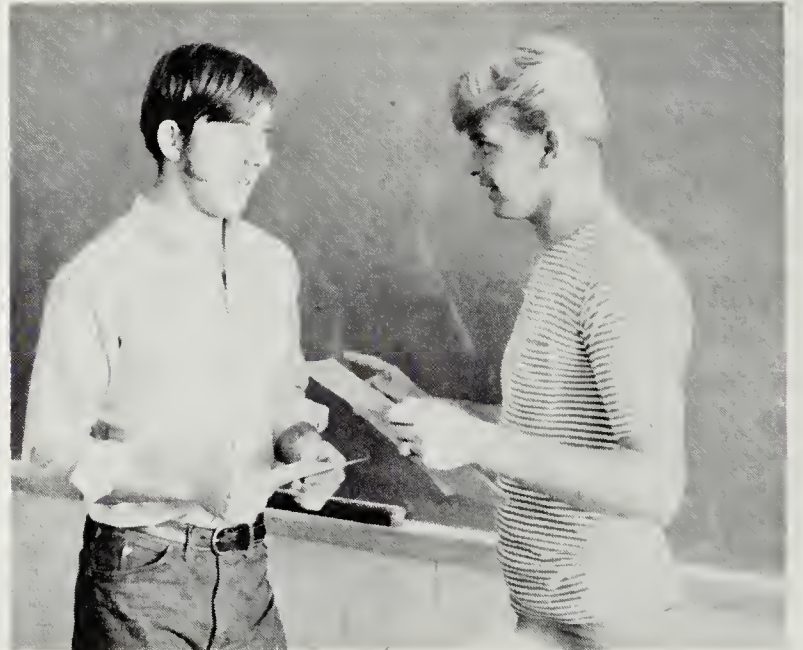

Moments to Remember

Now what did we ever accomplish at a homeroom meeting?

Those college applications have to go in on time!

Can you believe it, Charlie, we might get to graduate this year . . .

After 4½ years of waiting, we finally got our rings!

Who could settle down to schoolwork after that Senior Trip?

Youth brings peculiar temptations and dangers. It is the forming-fixing period, the spring season of disposition and habit. During this season, more than any other, the character assumes its permanent shape and color, and the young take their course for time and for eternity.

MONTEREY ELEMENTARY SCHOOL

The Monterey Elementary School Building basks in the sunshine of early spring.

John B. Reynolds
Principal
B.S. — Bridgewater College
M.A. — University of Virginia

The challenge of learning and of growing up, the urge to create, the demands of citizenship and responsibility—all these confront the first grader entering Monterey Elementary School. Yet each must seek to define his own purpose and fulfill it in his own way. A growing library, compensatory classes, a school kiln for firing pottery, inter-grade sports events, and scholastic contests are available to the growing student. With the use of these resources and the aid of a willing faculty, the departing seventh grader is prepared to meet the greater challenges of high school, and the even greater one of living a useful and productive life.

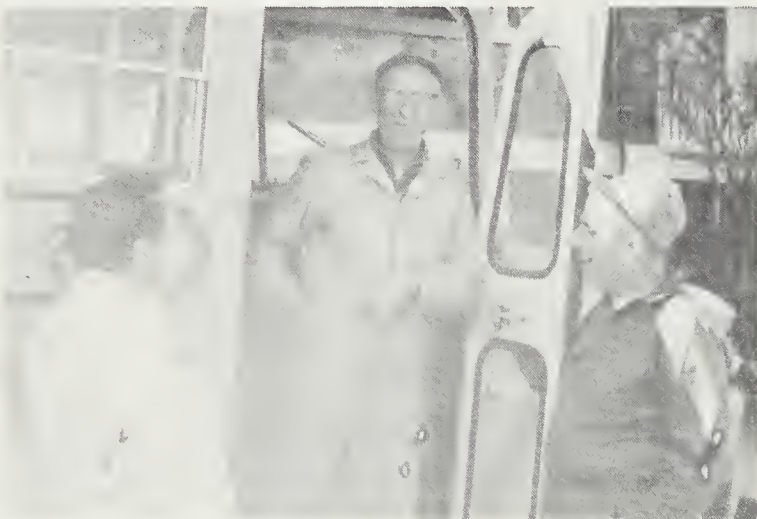

ADMINISTRATION

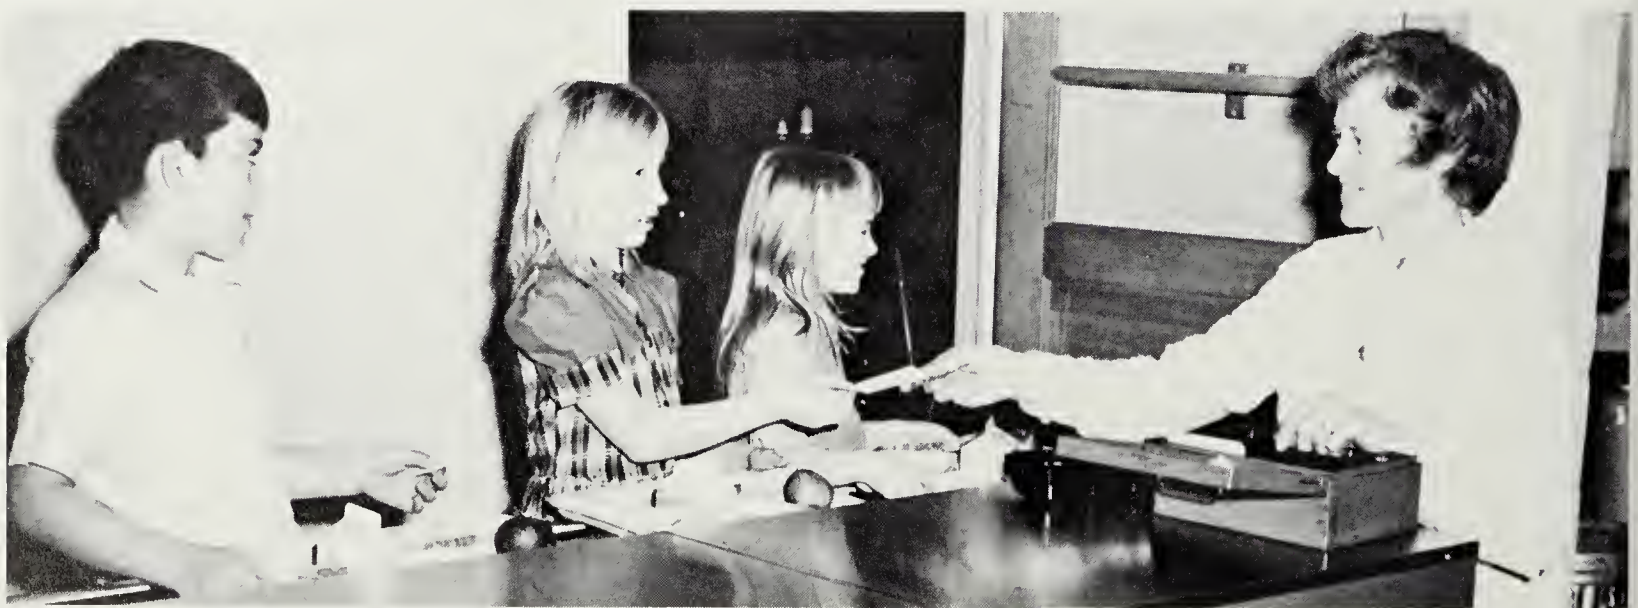

In addition to his duties as principal, Mr. Reynolds spends half of his time teaching upper level Science and Physical Education.

Monterey's cooks keep its gleaming kitchen in perfect order, in addition to preparing about 200 meals a day. Mrs. Altizer and Mrs. Thompson prepare the favorite meal – HAMBURGERS. Mrs. Rexrode was not present for the picture.

Highland County Schools would be impotent without their bus drivers. Here Simmons, Moyers, and Ruckman await the first bell rush.

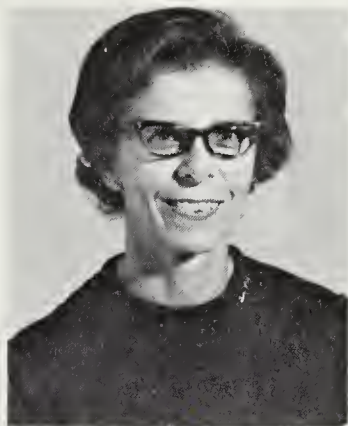

One of Mrs. Carol Hevener's duties as Monterey Girl Friday is the collection of lunch tickets. She is also responsible for all office work.

The ability to read is the key to knowledge. First graders take the big step under the guidance of Mrs. Dudley.

ACTIVITIES

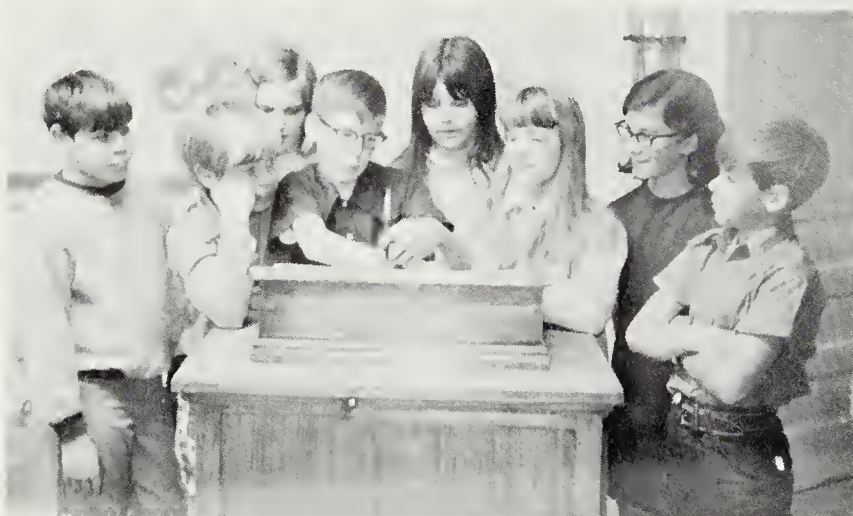

Good citizenship begins with youth. Each month, students showing the traits of good citizenship are selected by their teachers and classmates to be "Citizens of the Month."

Students from the 5th, 6th, and 7th grades compose the Elementary Chorus. This was its first year, but the Chorus is already singing in non-school functions.

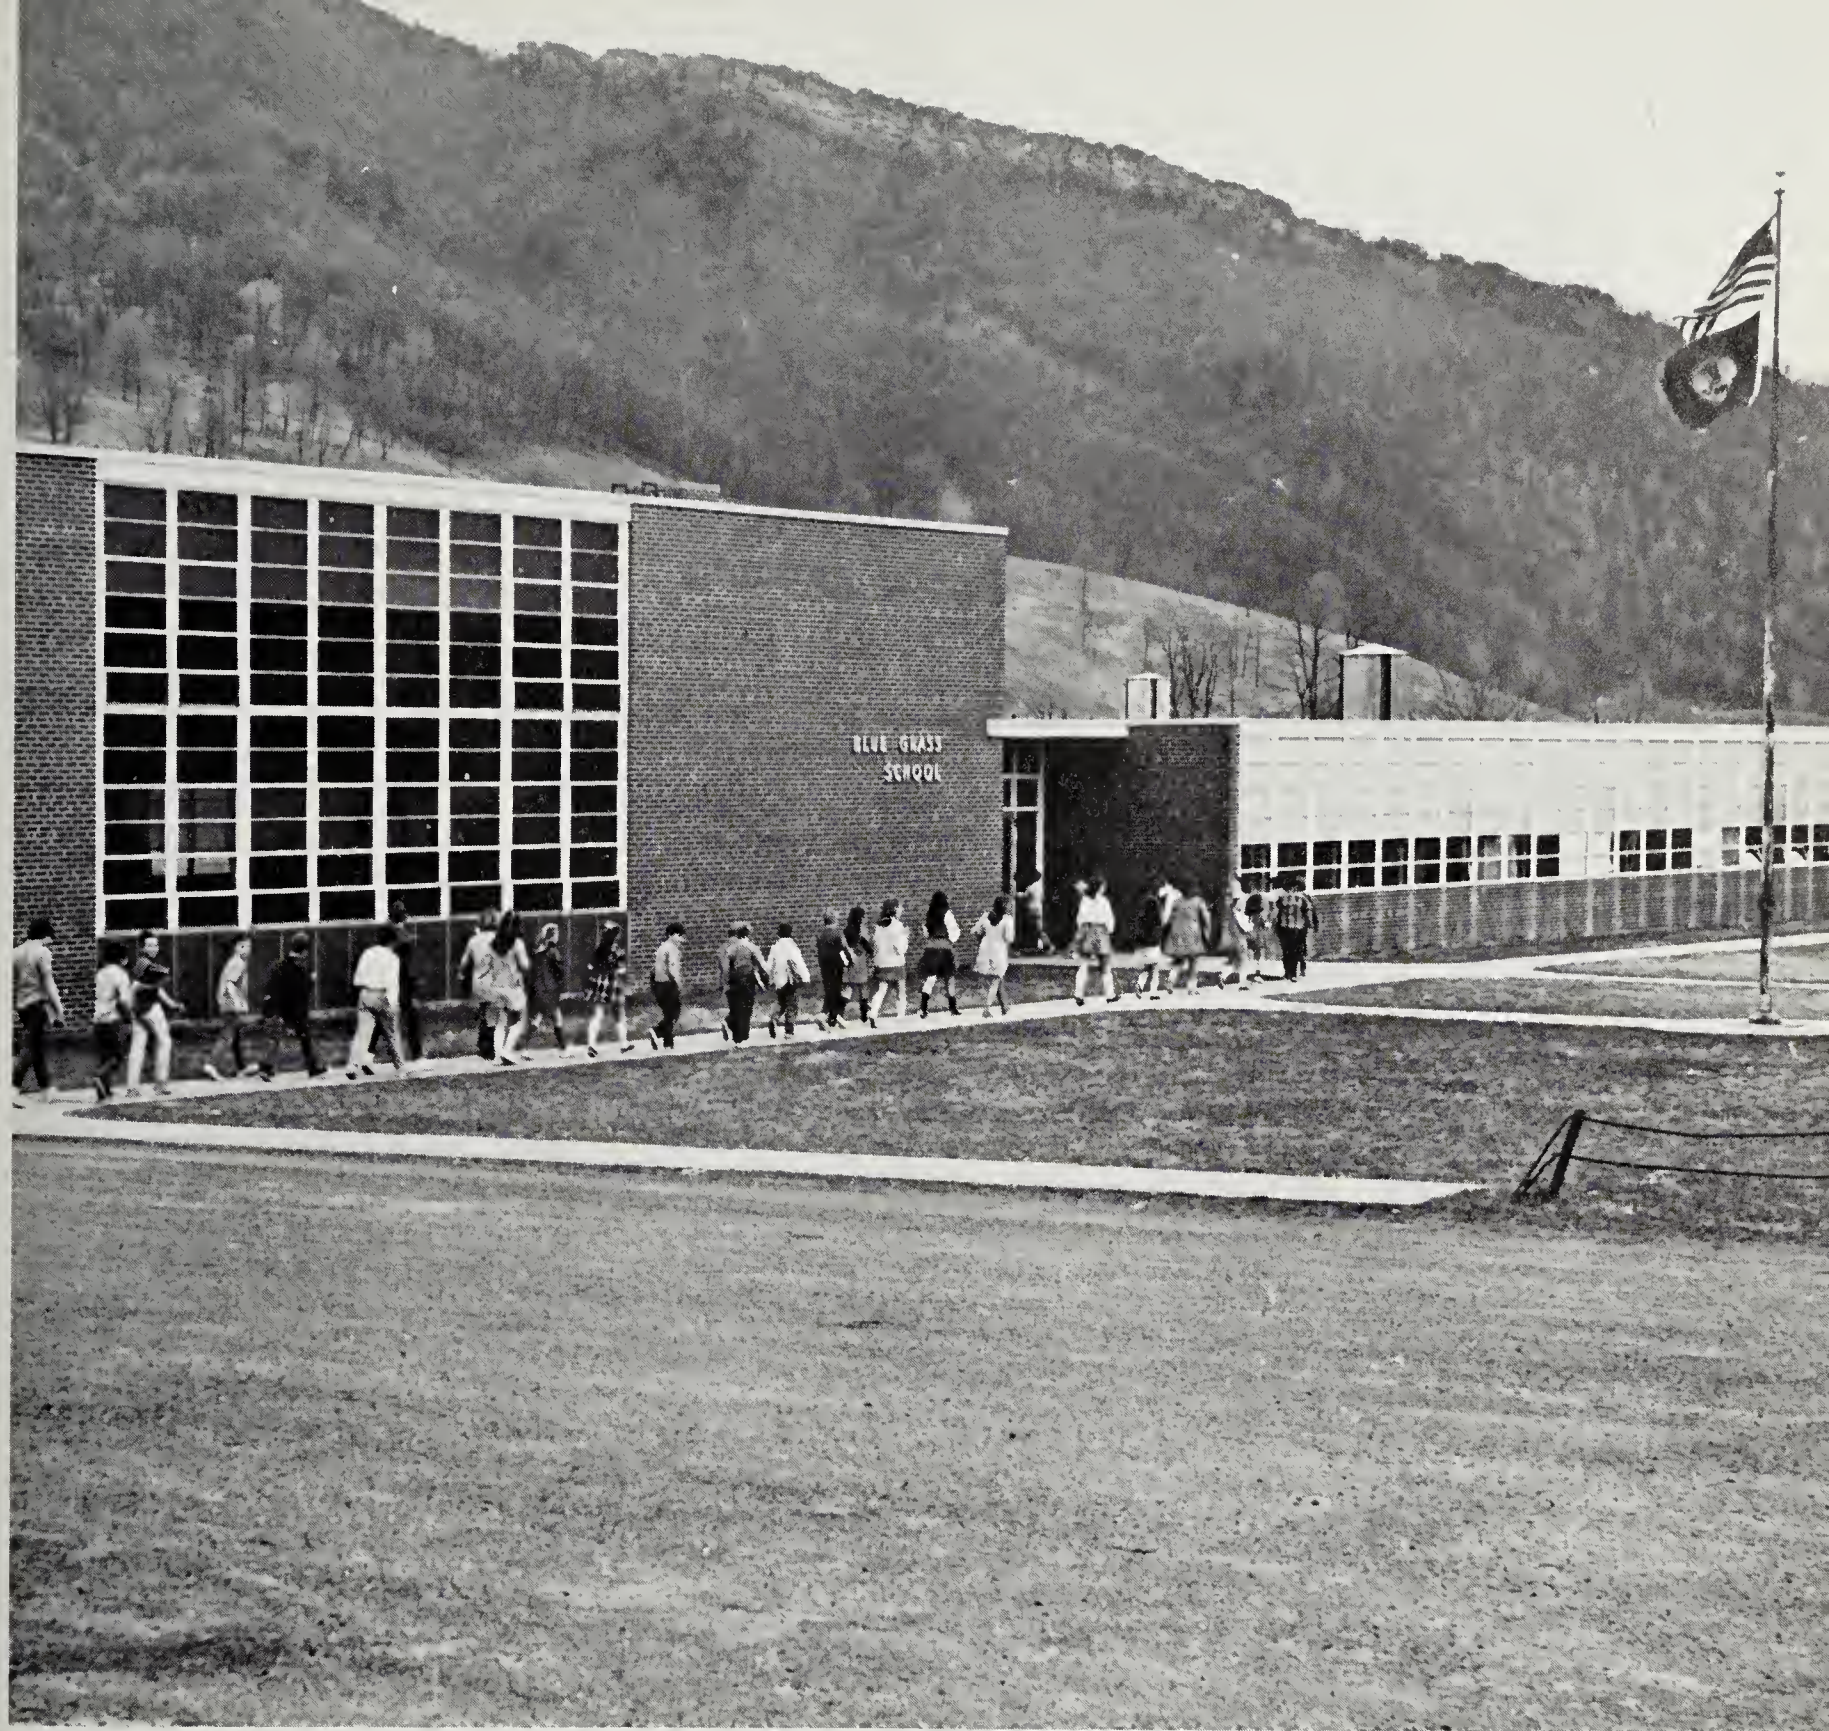

First and second graders didn't let their youth keep them from devising clever costumes. Above are the winners in the Primary division.

Eight students from Monterey Elementary were chosen to represent the school in the County Spelling Bee. Timmy and Chris Shumate, Marilyn Reynolds, Judy Waggoner, Donna Obaugh, Kathy Ralston, and Terry King check County Winner Kevin Gardner's word list.

ACTIVITIES

Living great distances from the school does not prevent students from participating in an active extra-curricular life. Chorus and Band meet weekly. Sports events are held between grades. There is the Halloween Carnival, Christmas Program, Spring Music Festival, and the Science and Art Exhibits.

Blue Grass Elementary School was completed in 1958. There are 59 students enrolled in grades two through six with three teachers. The first and seventh grades are being transferred to Monterey Elementary School.
